CONSTRUCTIVE CRITICISM

Different times we advised our readers in editorials that when criticising public offices, the best way to do this is to attend the annual meeting of those offices, where you can air your grievances in public. Criticising anyone or any office for any reason, behind their back, is non-constructive. It doesn't help our community at all.

We advocated that you bring your questions and enquiries in regards to our Council during the Annual Taxpayers Meeting and we were very pleased that so many citizens brought their opinions straight forward during this meeting. There are in our town, supporters of the Protestant Separate School Board, who disagree with some of the policies of this Board. We again advocate that these people should attend the annual meeting of the Protestant Separate School District on Thursday, March 15th, at 8 p.m. in the Sir George Simpson School, where they will have an opportunity to bring their grievances straight to the Board. Criticisms, complaints and misunderstandings, after this annual meeting, are non-constructive and don't help the school, children, parents, staff or board to establish a well-organized school district.

Meeting, Monday, March 11th, 1963.

The minutes of the previous meeting were passed and accepted as read by Council. R.C.M.P. The general condition was favourable for the month of February.

Recreation Board Mr. A. Hebert of the Public School Board, and Dr. Wm. Cuts of the Separate School Board were approved by Council as the two representatives of the school boards for the Recreation Committee.

Complaint - Mr. & Mrs. J. Raymond The Secretary Treasurer will contact Mr. Bell of American Homes to solve the problem between the Raymond family and American Homes regarding the spotlight used by American Homes, which shines in the Raymond's windows the whole night. **Edmonton & District Development Ass'n** Council did not make any decision regarding their membership fee for the Edmonton & District Development Association, but tabled this question till the next meeting.

Engineered Homes A letter from Engineered Homes asking for immediate further development in Grandin Park in April could not be accepted by the Council. Council will wait till their financial programme is settled. The Secretary-Treasurer was authorized to explain the Town's view to Engineered Homes.

Re-zoning of Agricultural Land The Edmonton and District Planning Commission voted in favour of re-zoning the agricultural land west of Jasper Auto Parts alongside the St. Albert Trail. Mayor Veness, representing St. Albert on the Commission, voted against this re-zoning. Council decided to hear the report from Mayor Veness before taking further steps. **Office Space for School Board** Councillor DeBruijn suggested that the two detachments of the R.C.M.P. should move to the Town Hall, and that both school boards should take over the R.C.M.P. offices located on Piron Street. Council was unanimous that the contract between the Town and the Separate School Board regarding office space has to be reviewed. Council appointed a committee, consisting

of Councillors DeBruijn and Wheatling, to meet with both school boards. There is a big demand for use of office space in the Town Hall. Interested are: the two school boards, the Library, the two detachments of the R.C.M.P., and of course, the Town itself.

Civic Employees Association A proposed agreement between the Town and the St. Albert Civic Employees Association came under discussion. Overall, the employees will benefit by about \$15,103. annually with this new agreement. Many of the Town's labourers will receive higher wages, besides better security in case of sickness, accident, medical bills, etc. A motion by Councillor DeBruijn mentioned that this proposed agreement was received and asked for further discussion in the next Council meeting.

Building Inspector's Report There is still an enormous interest in buying houses in St. Albert. A comparison between 1962 and 1963, showed that in the first two months of 1962, 25 permits were issued, while already in 1963, there have been 69 to the end of February. This is an increase of more than 150%.

School Site Petition A petition was presented to Council by residents living on Grosvenor Blvd, in the area of the proposed public school. The petition asked Council to use this land as parkland, but suggested that Council give the Public School Board an opportunity to build their school in Grandin Park, but on an-

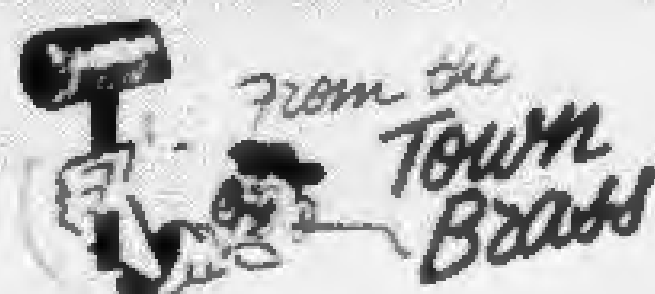

other piece of land, not far from the Sir George Simpson School. Council decided to await results of a meeting to be held between the two school boards. After this meeting, the petitioners will have a hearing with the Council. In regard to this matter, we publish Motion 1424, moved by Councillor Powell during the March 8th meeting of Council, and also the statement of Mayor Veness regarding the school site.

Motion 1424, Moved by Councillor Powell. That in view of the fact that a joint meeting of the two School Boards has been arranged for March 13th, and overlooked by Council at its Meeting of March 4th, a letter be directed to the St. Albert School District No. 3, requesting that their Board withhold any action until this meeting has taken place between the two School Boards, on March 13th, 1963.

CARRIED

Mayor Veness suggested that if the matter could not be settled at this joint meeting, then it should be placed before the Edmonton District Planning Commission Advisory Board. The Mayor stated that he wished it to be clearly understood that Council did not wish to become involved in the matter of school sites and that it should be settled between the two school boards if at all possible. If not, then settlement should be sought as suggested above.

RESOLUTIONS

1. Moved by Councillor Stewart - that the Secretary-Treasurer obtain a list of all justices of the Peace residing in the Town, and the reasons, if any, for their appointments. Carried.
2. Moved by Councillor Stewart - that the Town Solicitor be instructed to finalize as soon as possible, an agreement between the Town and the Sisters of Charity for the payment of the sewage lagoon area presently being used by the Town. Carried.
3. Moved by Councillor Stewart - that the position of Utilities Foreman (Maintenance) be deleted from the Town establishment in view of the opinion expressed by the Acting Town Engineer in that the position is superfluous to the required establishment of the Town labour force. Carried.
4. Moved by Councillor Montpetit - that we locate all maps pertaining to By-law No. 21/58 and bring forth all resolutions which authorized all changes to this By-law. Carried.
5. Moved by Councillor DeBruijn - that both School Boards be advised that all school sites will be finalized in the over-all design of future areas to be developed in the Town of St. Albert, and that the school boards indicate that they are in agreement with the design by signing the proposed plan. Carried.
6. Moved by Councillor Stewart - that the Secretary-Treasurer be instructed to obtain an estimate from the business consultant branch of Deloitte, Plender, Haszard and Wells, and make arrangements for an annual personnel assessment to be instituted for the salaried employees of the Town. Carried.
7. Moved by Councillor Stewart - that the Town Engineer be instructed to undertake a critical analysis of the present labour force employed by the Town. Carried.
8. Moved by Councillor Stewart - that the following proposed Resolution be referred to the Town Solicitor for his opinion: "that in accordance with Section 51, SubSection (5) of the Town and Village Act, Members of the Council, appointed by Resolution of Council to attend Committee Meetings affecting the Town, be paid an allowance of \$1.00 to cover travelling, subsistence and out-of-pocket expenses". Carried.
9. Moved by Councillor Stewart - that Council in future will confine its activities to those involving the making and interpretation of policy and such ceremonial functions as are deemed to be necessary for good public relations, and that Council will refrain from becoming involved in administrative details which are properly the responsibility of the paid officials of the Town. Carried.
10. Moved by Councillor Stewart - that in view of the fact that there are no legal difficulties to the appointing of a senior administrative officer, and in view of the fact that the development season is rapidly approaching, a Committee comprising Councillors Powell, Stewart and DeBruijn be authorized to undertake the screening and selection of suitable candidates to fill this position, for presentation to Council. Carried.

SENIOR ADMINISTRATOR

Senior Administrator Since July 1962, when Gordon Parkes resigned, the Town of St. Albert has been without a Town Manager. Council felt that it is now more than time that Mr. S. L. Billings, Secretary-Treasurer, of our Town, be released from his present heavy duties. In fact, Mr. Billings has been doing the jobs of three men: handling the town finances, the administration and the busy town development. Mr. Billings made it quite clear that he is very much interested in working for the town in the administrative and financial fields, but that he doesn't wish to bear any longer the responsibilities for the more technical side of the Town's activities. Council gave Mr. Billings a

fair chance to stay as Senior Administrator, but Mr. Billings himself expressed the thought that the town needs a Senior Administrator more experienced in Municipal affairs and development, but that he would like to be his assistant. "Thank you, Mr. Billings," said the Council, "this will help us to find, as soon as possible, a senior administrator for our town". Councillors DeBruijn and Stewart told the Council that it wasn't necessary to advertise again for this position because they knew some good candidates who are capable of doing this job. Councillors DeBruijn, Stewart and Powell were appointed by Council to select candidates to be presented to Council. The meeting was adjourned at midnight.

ST. ALBERT United Church

El-C: On Sunday evening, March 10th, the El-C met in the United Church Marise at 31 Sunnyside Crescent. A supper of baked ham, beans, salad, rolls and ice cream was served. The evening's program consisted of a panel of Mr. B. Fidler, member of Session and Christian Education Chairman; Mr. A. Sollanych, member of the Committee of Stewards; and Rev. Dr. E. Schwarz, minister and chairman of the Official Board who explained and discussed the functions of the various boards and committees in the church. A business meeting followed. A short period of entertainment closed the evening's program. Besides the panel members, counsellors Mr. & Mrs. Bill Eide, Mrs. B. Fidler and Mrs. Schwarz were guests of the El-C.

S.G.I.F. The St. Patrick's Tea will be held in the Church Lower Hall from 3 - 5 p.m. on Saturday, March 16th. Everyone is welcome. This group of girls aged 12 - 17 have shown themselves extremely capable and interested in the life and work of the Church. You are urged to support the girls in this undertaking. **Sunday Evening Service** On Sunday evening March 3rd, a service was held in the United Church at 8 p.m. The preacher was Rev. Dr. E. R. Schwarz. As at all the evening services, congregational singing of favourite hymns was a feature and the congregation was led by Mr. Roy Gilley. Mrs. E. G. Hole was at the organ. The congregation had, as guest instrumentalist, Mr. Bert Ward of the "Tail Gate Jazz Band". Mr. Ward played "The Old Rugged Cross", "Abide With Me" and "Rock of Ages" on the trumpet and was accompanied by Mrs. Hole at the organ. A pleasant coffee hour in the church's lower hall followed the service.

These evening services are held on the first Sunday of each month. Originally undertaken with the view to having them only during the cold winter months, these services will now continue year round save for the two summer months of holiday. This has come about through the surprising interest that has been shown in these services and the great increase in the attendance. The next evening service will be held on April 7 at 8 p.m. Everyone is welcome to attend.

The Heracles Soccer Club started their indoor training last Saturday, March 2, in the gymnasium of the Vital Grandin School. Thirty boys attended this practice. This will assure St. Albert having at least two junior soccer teams available for the Edmonton and District Junior Soccer League in the coming season. Every boy in St. Albert from 9 to 15 years is welcome. There is no charge. The dress during indoor training is shorts, T shirt and running shoes.

The Party Line

Let's take a trip; leave all the snow and mud behind and visit sunny Italy! A pleasant thought but highly impractical for most of us. However, right here in our own homes we can enjoy a little of Italy by savouring one of their most famous dishes - Pizza. While pizza is enjoyed throughout Italy and many other lands, it originated in Naples, hence its correct name pizza alla Napolitana. Like many other specialty dishes of today, it was a poorman's fare in its beginning. Happily it has remained economical though it has climbed a rung or two on the cuisine ladder. Moreover it is simple to prepare from available ingredients.

Crust 2½ cups flour
2 tbsp olive oil
1 pkg dry yeast dissolved in
1 cup lukewarm water (no sugar)

Mix and knead as bread dough. Place dough on oiled bread board, cover with cloth and let rise 2 hours. When risen, cut in 4 quarters and press flat with fingertips in 8" pie or cake pans.

Topping 1 20 oz can tomatoes, drained
Mozzerella cheese
grated Parmesan cheese
olive oil and salt.

Spread each pan of crust with tomato pieces, covering all of surface, and 6 to 8 50¢ size pieces of mozzarella cheese. Sprinkle with olive oil, salt, and parmesan cheese. Bake at 275 for 25-30 minutes or until cheese is brown. Serves 4. Accompanied by a Caesar salad pizza makes an ideal lenten meal. On its own, it is a perfect after-party snack.

Next week we will have more Italian flavour with some authentic recipes of Northern Italy from Mrs. Bruno Bersan.

LOOK & GUESS

Last week's Look and Guess was a real easy one - a handle. But what is it on? Some said a suitcase, a clothing box, a carrying case, an oven door, a tool box, a drawer and even a car. But no one was able to see that it was the handle of a vacuum cleaner. That means that this week's contest will be worth \$4.50 so be sure to enter. Maybe this will be your lucky day.

ST. MATTHEW'S ANGLICAN MISSION HAS OWN RECTOR

Anglicans in St. Albert have been rewarded for their efforts to establish a church here with the appointment of the Reverend Dr. Leon Leask as priest-in-charge of St. Matthew's Anglican Mission. Dr. Leask has been assistant curate at St. James' Church in Edmonton for the past year.

Following his move to Canada from England thirteen years ago, Dr. Leask lived in Edmonton for a time prior to studying for the ministry at Emmanuel College in Edmonton. After graduation, he was curate of St. Matthew's church in Saskatoon for five years. Dr. Leask, who is a widower with two children, is currently renting a house in Edmonton but

hopes to find a home in St. Albert in the near future if sufficient support is forthcoming from the Anglican community here to warrant a full-time vicar.

The children's confirmation class, which has been conducted by Mr. Calderwood of the Church of the Good Shepherd in Edmonton, will be taken over by Mr. Dawkins March 21. The class meets at the children's homes and will be at 31 Greenview Crescent that Thursday.

Mr. Dawkins first service will be a celebration of Holy Communion at 11 a.m. March 17, in Vital Grandin School. It is expected that all Anglicans in St. Albert will be present to accord a proper welcome to the first Anglican rector ever to serve in this town.

NICKERSON ISLAND - SCOUTERS PARADISE

Scouters in the area of the Landing Trail Scout District have, for some years now, been concerned about the lack of proper camping facilities for their Scouts. Conventional resort areas have become overcrowded and the private type of site required for Scouting activities has become scarce.

As a highlight of Scout Week, Larry Martindale, camping Chairman of the Landing Trail District (St. Albert, Morinville, Legal, Westlock, Barrhead, Snowy, Stony Plain, Spruce Grove and Winterburn, gave the following welcome information.

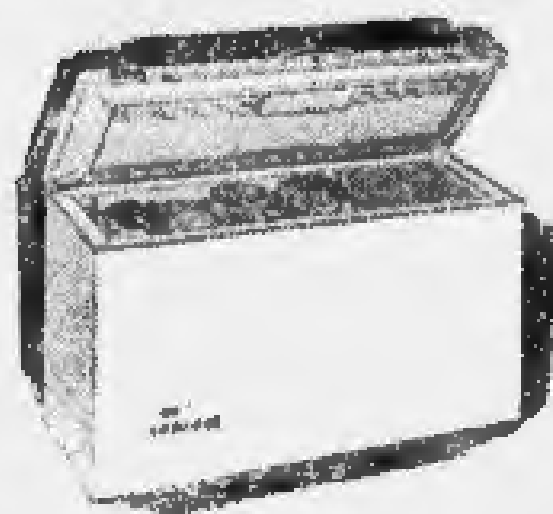

The Landing Trail District has selected a camping site for Scouts. It is a 17-acre island located on Island Lake, about 120 miles north of Edmonton. It is named Nickerson Island, to commemorate the late Cubmaster Nickerson of the Second St. Albert Cub Pack, who died trying to save the lives of some of his boys during a camping trip two years ago.

Nickerson Island is accessible by boat in any weather as it is well sheltered by large trees on the mainland. The clear waters of the lake abound with perch, pickerel and Northern Pike. Ideal camping sites are available because of the large trees on the island that have never been ravaged by fire.

Scouters, Scouts and interested parents will be spending spare weekends at the island preparing walls, latrines, docks, boats and the camping sites so all will be ready for the July 1st camping season opening.

Mr. Martindale said, "We feel this will truly be an island of your boys' dreams. It will be an incentive to the young lads who are today's Cubs and who will be tomorrow's Scouts and citizens. Most important," he said, "it will provide opportunities for outdoor training experiences that are the main purposes of Scouting."

POST OFFICE ADDITION

Marcel Lambert, Minister of Veterans Affairs, and Progressive Conservative candidate for Edmonton West, stated this morning that tenders are now being called for the addition to the St. Albert Post

Office. This addition will increase the size of our Post Office by 742 sq. ft., giving 18 feet more frontage. Mr. Lambert hopes that construction will start as soon as possible, perhaps in the latter part of April.

THE ST. ALBERT ON STURGEON PLAYERS

The meeting on March 7th consisted of a brisk business session in which it was decided that a membership with the Extension Library be acquired, a donation of \$3.00 be sent to the Walterdale Playhouse for inscription of the Sturgeon Players on a brick, and a donation of \$10. each to Nan Tandrup and Joy Wakefield to assist them in their courses of Theatrical Make-up.

Kathleen Boulter concluded the meeting with Speech Interpretation. This ranged from interpretation of set phrases and worked up to the characterization of definite situations. Next week will see the culmination of this series by an interpretive improvisation by numbers. If this leaves you a little mystified, why not join us. Phone Katie Moffatt at 599-6220 for more information.

There will be a further casting of "The Late Christopher Bean", as the cast requires more personnel, especially MEN!! The club welcomes all new members as there are plenty of opportunities, both back stage and on stage, for anyone from High School age and up.

Try outs will be held in the Community Hall, Thursday evening, March 14, from 8 to 10 p.m.

CANCER CONTROL SUNDAY

On Sunday, March 31, 1963, Cancer Control Sunday will be observed by religious leaders of all faiths in many churches in Alberta. "It is to be observed by special prayers devoted to asking Divine Guidance to our scientists and doctors and to offer relief to those suffering from this dread disease", J. C. Brennan President of Edmonton and District Branch announced today.

The Canadian Cancer Society must raise a total of \$3,682,000. for its three-fold programme of research, education and welfare this year. Alberta's objective has been set at \$400,000. We need more funds than in our history. This is due mainly to the support of research at the University of Alberta Cancer Research Unit (McEachern Laboratory) in Edmonton. The newly completed biochemistry laboratory is one of the finest in Canada and offers new hope for cancer at our own doorstep. Last year nearly 24,000 Canadians died of cancer, many of them needlessly. The Society is working hard to promote better cancer education to save many more lives in the future. Although we must ask our people of the Edmonton district to give to conquer cancer, we must also ask that our Crusade be strengthened with their prayers. We must continue to fight cancer with a check-up and a cheque, but we must never underestimate the precious value of prayer.

ST. ALBERT YMCA DOING FINE JOB

En route to the swimming pool at the YMCA in Edmonton.

Ready for their first dip.

Can you pick out your child from this group of tripping swimmers?

Every Saturday and Monday, the YMCA organizes a trip to the swimming pool at the Edmonton Y, to give our youngsters a chance to learn swimming under the training of experts. The Protestant School Board transports our boys and girls to the swimming pool with their school bus. We had the pleasure to be one of the parents supervising the children in the bus. Our conclusion is that the YMCA is helping to solve a great need for the town of St. Albert until we have our own swimming pool. It is quite a thrill to see 80 St. Albert boys and girls swimming in one pool and to realize that a swimming pool will have top priority with the new Recreation Board. The behaviour of the boys and girls was excellent and didn't cause us any trouble. We enjoyed the trip by bus, and from the YMCA in Edmonton to the last house in St. Albert, we were singing all the old familiar songs.
